

NRCS-Approved Power Banks

2023 | 2024

A Power Bank is a popular, **year-round promotional product** which, when branded, generates **countless impressions** for your brand, as it's extremely useful and frequently used by the recipient.

Research conducted by the Advertising Specialty Institute (ASI) indicates that 51% of consumers would **keep and use a power bank for 2 years or longer** and generate **over 870 impressions** over their lifetime!

We go to great lengths to ensure our Power Banks meet the **highest quality standards** and are approved by the **National Regulator for Compulsory Specifications (NRCS)**. For added comfort and peace of mind, all of our Power Banks carry a 1-year limited warranty.
